

Nedile Game Lodge Mid Week Special!!!

Nedile Lodge is situated in the Malaria free Welgevonden Game Reserve, just 2.5 hours from Johannesburg. Five exclusive suites, carefully positioned between rocky outcrops on a north facing slope and breath-taking views of the Waterberg mountains, compliment this location. Two of the suites may be used as family units with an inter-leading entrance hall. Each room has its own en-suite bathroom with indoor and outdoor showers.

The main building has a central African theme and consists of a lounge/bar and dining area, all leading out onto seligna decks emphasizing the natural environment. A rock boma provides an outside dining area where you can enjoy a traditional campfire and true South African hospitality

Cool down in the rock pool or join one of the game viewing activities. Under the supervision of an experienced game ranger, all activities from game drives to bush walks will provide new and unique learning about the wonders of nature. Whether you are enjoying the five-star cuisine, relaxing around the pool absorbing nature, joining a guided safari drive or a specialized bush walk, Nedile will truly restore peace in your soul.
